Dear Supervisors:

**APPROVAL OF A TAX-EXEMPT FINANCING BY THE CALIFORNIA
STATEWIDE COMMUNITIES DEVELOPMENT AUTHORITY TO BENEFIT
THE SOUTHERN CALIFORNIA PRESBYTERIAN HOMES
(FIFTH DISTRICT) (3 VOTES)**

SUBJECT

The California Statewide Communities Development Authority has requested the County's assistance in the issuance of tax-exempt revenue bonds in an aggregate principal amount not to exceed \$85 million for the purpose of financing and refinancing certain capital expenditures related to facilities owned and operated by the Southern California Presbyterian Homes.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt a Resolution approving the issuance of California Statewide Communities Development Authority tax-exempt revenue bonds (the "Bonds") for the purpose of financing and refinancing capital expenditures at certain continuing care retirement facilities owned and operated by the Southern California Presbyterian Homes (the "Corporation") and its affiliates.
2. Ratify a Tax Equity and Fiscal Responsibility Act ("TEFRA") Hearing held by the Los Angeles County Treasurer and Tax Collector.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The California Statewide Communities Development Authority (the "Authority") has requested the County's assistance with meeting certain legal and public approval

requirements for the issuance of tax-exempt revenue bonds on behalf of the Corporation. The bonds will be issued by the Authority in an aggregate principal amount not to exceed \$85 million.

The purpose of the Bonds is to finance and refinance capital expenditures related to six continuing care retirement facilities in California, including Royal Oaks Manor, which is located in an unincorporated area of Los Angeles County. It is anticipated that approximately \$22 million of the bond proceeds will be applied to the refinancing of prior debt obligations associated with Royal Oaks Manor, while \$276,000 will be used to reimburse prior capital expenditures related to the Royal Oaks facility. The remainder of the bond proceeds will be allocated to the five other retirement facilities operated by the Corporation.

Implementation of Strategic Plan Goals

This action supports the County's Strategic Plan Goal #1: Operational Effectiveness by facilitating access to the tax-exempt bond market in accordance with federal regulations for a non-profit public benefit corporation that provides continuing care retirement services to residents of the County.

FISCAL IMPACT/FINANCING

There will be no fiscal impact to the County or the Authority. Repayment of the bonds will be the obligation of the Corporation.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Corporation has requested that the Authority serve as the conduit issuer for this financing and issue the Bonds on its behalf. The County's participation in the financing is limited to holding a TEFRA Hearing and your Board's approval of the Bonds as they relate to the Royal Oaks Manor facility, located at 1763 Royal Oaks Drive North in the City of Bradbury. The five other facilities that are included in this financing are located throughout Southern California and will require a separate approval from the governing body of the local jurisdiction in which the facilities are located.

Pursuant to the Joint Powers Act, a number of cities, counties (including the County of Los Angeles), and special districts entered into a joint exercise of powers agreement (the "Agreement") by which the Authority was organized. The Authority is authorized by the Agreement to issue bonds or other debt instruments to promote economic development and/or to benefit a nonprofit organization as described under Section 501(c)(3) of the Internal Revenue Code (the "Code"). Pursuant to Section 147(f) of the

Code, this transaction must be approved by an elected legislative body having jurisdiction over the area in which the project is located. In addition, both the Code and Section 9 of the Agreement require that a TEFRA Hearing be held to give the public an opportunity to comment on the transaction. This hearing was duly noticed and held on July 2, 2009 in the office of the Treasurer and Tax Collector.

In accordance with County policies regarding conduit financings, we have confirmed that there is no County obligation to pay debt service on the bonds. Furthermore, we have secured an Indemnity Agreement from the Corporation related to this financing. The public benefit associated with this project is achieved through the refinancing and construction of continuing care retirement facilities located within the County.

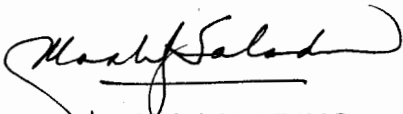

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There will be no impact on current services or projects.

CONCLUSION

Upon approval, it is requested that the Executive Officer-Clerk of the Board of Supervisors return two originally executed copies of the adopted resolution to the Treasurer and Tax Collector (Office of Public Finance).

Respectfully submitted,

MARK J. SALADINO
Treasurer and Tax Collector
